Explanatory Notes

These Explanatory Notes form part of this Notice of Meeting.

1. Financial Statements and Reports

The Corporations Act requires the Company's Annual Report, the Directors' Report (incorporating the Remuneration Report), and the Auditor's Report to be received and considered at the AGM. The Corporations Act does not require Shareholders to vote on these reports.

An electronic copy of the Company's Annual Report is available on the Company's website:
<http://www.cooperenergy.com.au/investor-information/reports>.

The 2024 Annual Report has also been sent by post to those Shareholders who have previously elected to receive a hard copy.

2. Resolution 1 – Adoption of Remuneration Report

The Remuneration Report is set out on pages 69 to 92 of the 2024 Annual Report.

As required by the Corporations Act, the Board is presenting the Remuneration Report to Shareholders for adoption. The vote on this Resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration practices and policies.

Shareholders should also note that if 25% or more of votes cast are against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of the consecutive AGMs on a resolution (**spill resolution**) to determine whether another meeting of Shareholders (**spill meeting**) be held to consider the re-election of the Directors (other than the Managing Director). If a spill resolution is passed, all Directors (other than the Managing Director) will cease to hold office at the end of the spill meeting, unless re-elected at that meeting.

The Company received 97.57% of proxy votes in favour of its Remuneration Report for the 2023 financial year. The vote was carried on a poll (all resolutions at the Company's 2023 annual general meeting were voted on by poll).

The Board recommends that Shareholders vote in favour of adopting the Remuneration Report.

The Chairman intends to vote undirected proxies in favour of Resolution 1.

3. Resolution 2 – Re-election of Ms Elizabeth Donaghey as a Director

Ms Donaghey will retire by rotation at the AGM in accordance with Rule 5.1 of the Constitution and, being eligible, offers herself for re-election.

Ms Donaghey was appointed to the Board on 25 June 2018. Ms Donaghey brings over 30 years' experience in the energy sector including technical, commercial and executive roles in EnergyAustralia, Woodside Energy and BHP Petroleum. She has performed extensive committee roles in these appointments, serving on audit and compliance, risk and audit, technical and regulatory, remuneration and health and safety committees.

Biographical details for Ms Donaghey, including relevant qualifications, skills and experience, other material directorships currently held and her status as an independent non-executive Director, are set out on page 66 of the 2024 Annual Report.

The Board supports the re-election of Ms Donaghey as a Director and (with Ms Donaghey abstaining) recommends that Shareholders vote in favour of this Resolution.

The Chairman intends to vote undirected proxies in favour of Resolution 2.

4. Resolution 3 – Re-election of Ms Giselle Collins as a Director

Ms Collins will retire by rotation at the AGM in accordance with Rule 5.1 of the Constitution and, being eligible, offers herself for re-election.

In accordance with clause 8.2 of the Constitution, a Director appointed by the Board ceases to hold office at the conclusion of the next Annual General Meeting and is then eligible for election. Mr Gray seeks election as a non-executive Director of the Company.

Mr Gray stepped down from these roles in order to undertake his diplomatic appointment. Mr Gray has served on the Independent Parliamentary Expenses Authority since 2016 and since 2020 has served in an unpaid capacity.

The Company confirms that appropriate checks into Mr Gray's background and experience have been conducted and have not revealed any information of concern. No interest, position or relationships have been identified that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring judgement which is independent of any individual security holder or other party.

The Board considers that Mr Gray will, if elected, qualify as an independent Director. The Board considers that Mr Gray contributes an independent and well informed perspective which is assessed to be beneficial to its deliberations.

The Chairman intends to vote undirected proxies in favour of Resolution 5.

7. Resolution 6 – Issue of rights to Ms Jane Norman, Managing Director & CEO

7.1 Background

The Board considers that its senior executives should be remunerated in a manner that encourages them to become Shareholders as this is the best mechanism to align their interests with those of the Company's Shareholders. It is the Company's policy that the performance based (that is, at risk) pay of senior executives is to form a significant portion of their total remuneration. Granting incentives under a long-term incentive plan seeks to encourage and reward long-term sustainable performance.

The Company is proposing to issue performance rights (**Performance Rights**) to the Company's Managing Director & CEO, Ms Jane Norman.

Listing Rule 10.14 provides that a company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the Company (Listing Rule 10.14.1);
- an Associate of a director of the Company (Listing Rule 10.14.2); or
- a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

without the prior approval of the holders of its ordinary securities.

The issue falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

Under Resolution 6, Shareholder approval is sought for the issue of Performance Rights to Ms Norman for the purposes of

Listing Rule 10.14.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company (such as that held by Ms Norman) or a related body corporate if it is approved by shareholders under section 200E or an exemption applies. The term 'benefit' has a wide operation and could include the early vesting of the Performance Rights or allowing Ms Norman to retain the Performance Rights, in each case under the terms of the EIP.

Accordingly, shareholder approval is also sought for the purpose of section 200E of the Corporations Act to allow vesting of Performance Rights upon Ms Norman ceasing employment (as summarised under "Lapse and forfeiture" in the summary of the material terms of the EIP set out in the Annexure), including where to do so would involve the giving of a 'benefit' to Ms Norman in connection with her ceasing to hold a managerial or executive office. The approval is sought in relation to the Performance Rights proposed to be granted to Ms Norman under Resolution 6 in this Notice. The Board does not intend to exercise discretion to allow Ms Norman to retain Performance Rights if she is terminated for cause, in which case all unvested Performance Rights would immediately lapse. The Board also does not intend to exercise such discretion where Ms Norman resigns of her own accord, although the Board will consider such matter having regard to the circumstances at the time.

If Resolution 6 is passed, the Performance Rights will be issued in accordance with an invitation made by the Board (**Invitation**) pursuant to the terms of the Company's EIP.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of Performance Rights under the EIP and the Company will consider alternative remuneration arrangements to remunerate and incentivise Ms Norman appropriately and align her interests with the long term success of the Company.

7.2 Invitations under EIP

(a) Type of Incentives

Performance Rights will be granted in two equal tranches as follows:

Tranche	Percentage	Vesting Criteria
1	50% of maximum award	Based on Relative Total Shareholder Return (RTSR)
2	50% of maximum award	Based on Absolute Total Shareholder Return (ATSR)

A Performance Right will entitle Ms Norman to one share (ranking equally with other shares on issue) if that Performance Right vests. No consideration is payable on the issue or vesting of the Performance Right.

(b) Number of Performance Rights

The number of Performance Rights to be granted to Ms Norman will be calculated by reference to her organisational level benchmarks (**OLB**) determined by the Board. Ms Norman's OLB is 100% of her FAR.

The number of Performance Rights to be offered to Ms Norman is calculated by dividing her OLB by the Market Value of a share on 24 September 2024. The Market Value of a share on a day is determined as, in summary, the volume weighted average price of shares over the 20 Trading Days ending on that day. Of the total number of Performance Rights, 50% will be designated as Tranche 1 and 50% as Tranche 2.

(c) Grant Date

The grant date is the date on which the Performance Rights are issued. If Shareholder approval is obtained, the Board intends that the Performance Rights will be issued in December and in any event no later than 3 years after the date of the AGM.

(d) Performance Period

The Performance Rights are subject to performance conditions that must be met for the Performance Rights to vest (**Vesting Criteria**). The period over which the Vesting Criteria will be measured is 3 years from the grant date (**Performance Period**).

(e) Vesting Criteria

Tranche 1 Performance Rights

The Vesting Criteria for the Tranche 1 Performance Rights is based on the Company's Relative Total Shareholder Return (**RTSR**) performance relative to peers, with the percentage of Tranche 1 Performance Rights which vest at the end of the Performance Period determined by the Company's RTSR percentile ranking. The Company's RTSR performance over the Performance Period will be assessed against the following peer group companies:

- (i) Beach Energy Limited;
- (ii) Strike Energy Limited;
- (iii) Melbana Energy Limited;
- (iv) Horizon Oil Limited;
- (v) Carnarvon Energy Limited;
- (vi) Tamboran Resources Limited;
- (vii) Comet Ridge Limited;
- (viii) Pancontinental Energy NL; and
- (ix) Empire Energy Group Limited.

The peer group is based on a group of ASX listed companies in the upstream oil and gas sector who have some Australian operations, across a range of market capitalisations.

The Vesting Criteria is challenging and the maximum award opportunities are only achieved by outstanding performance. No Tranche 1 Performance Rights will vest if performance is below medium level and half (50%) of the Tranche 1 Performance Rights will vest if performance is at the 50th percentile. The percentage of Tranche 1 Performance Rights which vest at the end of the Performance Period is as set out below:

RTSR percentile ranking	Percentage of Tranche 1 Performance Rights to vest
Below 50th percentile	No Performance Rights
At 50th percentile	50% of Performance Rights
Between 50th percentile and 75th percentile	50% of Performance Rights plus 2% for each additional percentile
At or above 75th percentile	100% of Performance Rights

Tranche 2 Performance Rights

The Vesting Criteria for the Tranche 2 Performance Rights is based on Absolute Total Shareholder Return (**ATSR**), calculated by the Compound Average Growth Rate (**CAGR**) of the Company's share price over a three-year period. The Board believes that the ATSR targets will provide a strong focus on operational and project delivery and strategy outcomes that drive improvement in the Company's share price. The CAGR targets are challenging, and the percentage of Tranche 2 Performance Rights which vest at the end of the Performance Period is as set out below:

3 year CAGR	Percentage of Tranche 2 Performance Rights to Vest
Less than 10%	No Performance Rights
At 10%	50% of Performance Rights
Between 10% and 20%	50% of Performance Rights plus 5% for each additional percentile
20% or above	100% of Performance Rights

(f) Testing

Performance Rights will be tested against the relevant Vesting Criteria on the earliest date reasonably practicable after the end of the Performance Period.

7.3 Information for the purposes of Listing Rule 10.15

For the purposes of Listing Rule 10.15, the following information is provided in relation to Resolution 6:

- (a) The proposed recipient is Ms Jane Norman, Managing Director & CEO of the Company.
- (b) Ms Norman falls within Listing Rule 10.14.1 as she is a current Director of the Company;
- (c) The number of Performance Rights proposed to be issued to Ms Norman is to be calculated using the formulas set out above at paragraph 7.2(b). The Performance Rights entitle Ms Norman to be issued fully paid ordinary shares if they vest, as set out in paragraphs 7.2(a) and 7.2(e) above (in relation to each of Tranche 1 and Tranche 2).
- (d) The details of Ms Norman's current total remuneration package are as follows:
 - a. FAR (base salary and superannuation): \$834,000 as at 30 September 2024;
 - b. Short term incentives target and maximum award opportunity of 125% of fixed annual remuneration (determined at the end of each financial year in respect of that financial year) – further detail is set out in the Remuneration Report at pages 75-76 of the Annual Report; and
 - c. Long term incentive maximum annual grant of 100% of fixed remuneration – further detail is set out in the Remuneration Report at pages 76-77 of the Annual Report.
- (e) 8,378,307 Performance Rights have been issued to Ms Norman under the EIP since Ms Norman became an employee of the Company on 20 March 2023. Ms Norman has not been issued any shares since becoming an employee of the Company.
- (f) The material terms of the Performance Rights are as set out above at paragraph 7.2.
- (g) The offer of Performance Rights to Ms Norman forms part of the Company's policy that the performance based (that is, at risk) pay of senior executives is to form a significant portion of their total remuneration. Granting Performance Rights under a long-term incentive plan seeks to encourage and reward long-term sustainable performance. The grant of Performance Rights is viewed as a cost effective and efficient reward and incentive as opposed to alternative forms of incentives, such as the payment of additional cash compensation, being of benefit to the recipient if the Company's Share price appreciates through good performance.
- (h) For the purpose of Listing Rule 10.15.6, the Company attributes a total value to the Tranche 1 Performance Rights to be issued as being a value being equal to 50% of Ms Norman's OLB (ie. \$417,000) and the Company attributes a total value to the Tranche 2 to be issued as being a value being equal to 50% of Ms Norman's OLB (ie. \$417,000).

Ms Norman will be issued the number of Performance Rights determined by taking Ms Norman's OLB (ie. \$834,000) and dividing by the 'Market Value' on 24 September 2024 (as described in paragraph 7.2(a) above). Of the total number of Performance Rights, 50% will be designated as Tranche 1 and 50% as Tranche 2. For the purpose of attributing value for Listing Rule 10.15.6, the Company ignores the effect of the Vesting Criteria.

The respective numbers of Tranche 1 Performance Rights and Tranche 2 Performance Rights are not available at the date of finalisation of these Explanatory Notes, but will be calculated as outlined above.
- (i) If approved by Shareholders of the Company, the Performance Rights will be issued by the dates specified above at paragraph 7.2(c).
- (j) The Performance Rights will be issued for nil cash consideration, and accordingly, have a nil issue price.
- (k) A summary of the material terms of the EIP is set out in the Annexure to these Explanatory Notes.
- (l) Details of any Performance Rights issued under the EIP will be published in the Annual Report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (m) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of incentives under the EIP after Resolution 6 is approved and who were not named in this Notice will not participate until approval is obtained under that rule.

7.4 Information for the purposes of section 200E of the Corporations Act

The value of any benefit relating to the Performance Rights given in connection with Ms Norman ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of Performance Rights held by Ms Norman prior to cessation of employment;
- the circumstances of or reasons for Ms Norman's cessation of employment;
- the result of any pro rating on cessation of employment; and
- whether the Vesting Criteria is waived or (if not waived) met, and the number of Performance Rights that vest (which could be all of the Performance Rights held by Ms Norman).

The Board (with Ms Norman abstaining) recommends that Shareholders vote in favour of Resolution 6.

The Chairman intends to vote undirected proxies in favour of Resolution 6.

8. Resolution 7 – Change of Company Name

It is proposed that shareholder approval be sought under section 157 of the Corporations Act for the change in name of Cooper Energy Limited to Amplitude Energy Limited, effective from the date that ASIC updates its register to reflect the new name.

The proposed change to Cooper Energy Limited's name aligns with the Company's updated 10-year Vision and strategy, released in June 2024. This strategy and name change highlights the Company's move away from being an onshore Cooper Basin focused oil producer, to a dedicated domestic gas explorer and producer, focused on developing domestic gas for Australians and playing its role in the energy transition.

The proposed new name of Amplitude Energy aligns with the Company's strategy to leverage its unique established infrastructure position to grow in both value and volume. The Company's ambition is to grow its infrastructure positions into domestic energy hubs – backfilling the facilities with new gas resources from existing basins close to market and creating new energy products that capture value of the energy transition.

'Amplitude' is an industry term that measures the resource potential of a new gas opportunity and is defined as the maximum extent of a vibration or oscillation, representing the Company aiming to reach its maximum potential. As Australia moves towards lower emissions, natural gas will continue to play a crucial role in driving our economy and supporting a consistent, reliable and affordable energy supply.

Shareholder approval is also being sought in accordance with section 136(2) of the Corporations Act, to replace all existing references in the Company's constitution to "Cooper Energy Limited" with "Amplitude Energy Limited".

The Board recommends that Shareholders vote in favour of Resolution 7.

The Chairman intends to vote undirected proxies in favour of Resolution 7.

ANNEXURE
Material Terms of Equity Incentive Plan

Eligibility	The Board may make invitations under the EIP to executive Directors, any permanent full time or part time employee of the Group and any other person who is declared by the Board to be eligible to receive a grant of an Incentive under the EIP, but excluding any Non-Executive Director of the Group (Eligible Participants).
Terms of grant	<p>A grant of Incentives under the EIP is subject to both the EIP Rules and the terms of the specific grant as determined by the Board.</p> <p>For example, the Board may determine that the vesting of the Incentives is subject to performance or service conditions (or both) and may determine that a trading restriction applies to any shares allocated on vesting or exercise of performance rights, share appreciation rights or options granted under the EIP.</p>
Incentives	The Board may grant Incentives in the form of options, performance rights, share appreciation rights or any other incentive award that is approved by the Board.
Administration of EIP	The EIP is administered by the Board or as determined by the Board from time to time.
Vesting criteria	An Incentive will vest if the vesting criteria as determined by the Board and set out in any invitation for grant of the Incentives are satisfied.
Lapse and forfeiture	<p>An Incentive will lapse where its vesting criteria and/or other conditions are not met by the date determined by the Board and set out in the invitation for grant.</p> <p>Where an Eligible Participant ceases to be employed by the Group all Incentives held by that participant which have not already been settled by share or cash settlement after vesting will lapse. However, in the case of a “qualifying leaver” (as defined) all incentives held will be retained unless the Board determines otherwise. The Board may also determine that some or all Incentives that will be retained by the participant will vest earlier or immediately prior to the cessation of employment.</p> <p>The Board also has a general right to determine that some or all of a participants Incentives will not lapse or be forfeited upon the participant ceasing to be employed by the Group.</p>
Vested Incentives	A share issued or transferred on the vesting or exercise of an Incentive will be a fully paid ordinary share in the Company ranking equally with, and having the same rights and entitlements as, other ordinary shares in the Company on issue at the date of allotment of the share (other than rights and entitlements accrued prior to the date of allotment of the share).
Allocation of Shares	<p>The Board can decide whether to procure the purchase of Shares on-market for transfer or issue new Shares on vesting or exercise of Incentives.</p> <p>The Board may also determine to make a cash payment to a participant in lieu of issuing or transferring Shares to the participant. The amount of the cash payment will be equal to the market value of the share on the last day of the performance period specified in the invitation for the Incentives (determined by the volume weighted average price of the Shares over the 20 trading days ending on that date) less the amount of the exercise price (if any) payable in respect of the Share.</p>

	The Board may determine to temporarily defer the issue of shares on the vesting or exercise of Incentives for up to six (6) calendar months if it considers that it is in the interests of the Company to do so.
Restrictions on transfer	An Eligible Participant must not assign or transfer an Incentive or grant any security interest over an Incentive, other than a transfer to a legal personal representative in the event that an Eligible Participant has died or become subject to mental health legislation.
Adjustment of Incentives	If before vesting of an Incentive there is any change to the number of Shares on issue by reason of a rights issue, bonus issue, share consolidation or subdivision or other capital restructure, the Board may in its discretion make adjustments to the Incentives (including to the number of Incentives and vesting criteria) on any basis it sees fit to minimise any advantage or disadvantage accruing to the participant or to comply with the ASX Listing Rules.
Early vesting	Incentives may vest (in whole or in part) earlier than the vesting date in some circumstances, subject to exercise of the Board's discretion including if there is a change of control event (such as a takeover bid or scheme). Unless the Board determines otherwise Incentives will vest to the extent the applicable vesting criteria are satisfied as at the date determined by the Board.
Restriction on disposal	The Board may impose a restriction on disposal or transfer of Shares allocated on exercise or vesting of an Incentive.
Clawback	If the Board determines that a participant has acted fraudulently, dishonestly or in breach of their obligations to the Group, any Incentive held by the Participant that has not vested will automatically lapse and the Participant will automatically forfeit their interest in those Incentives.
Variations	The Board may terminate, suspend or amend the terms of the EIP at any time. However, the Board may not without the consent of the participants amend any restriction or other condition relating to the EIP that materially reduces or adversely affects the rights of participants in respect of Incentives or Shares acquired by or granted to them under the EIP, except in certain circumstances (for example, if the amendment is required to comply with the ASX Listing Rules or the Corporations Act).
